

# Birley Community College

Years 7, 8 and 9

Lunchtime and  
After College Enrichment Activities  
September 2015 to December 2015

We hope that you will find some of these activities of interest. Remember that there is a great deal of evidence to prove that taking part in such opportunities improves students' confidence, achievement and examination results.

Many of these activities have already started, but you are welcome to turn up to the sessions you have chosen and give your name to the person taking charge. If you are unsure which member of staff this is, then please check with either your Personal Tutor or Student Services.

As the year progresses some activities will finish and new ones will be available, in particular the PE Department activities are seasonal.

WHEN	WHAT	WHERE	TIME	STAFF
