

Minor changes to the College day
2016-2017

The College Day

The day is divided into five teaching sessions plus tutor time.

All students must be at the College by 8.30am in order for a prompt start to the day.

Tutoring starts at	8.40am
Period 1 starts at	9.00am
Period 2 starts at	10.00am
Break starts at	11.00am
Period 3 starts at	11.15am
Lunch	12.15pm
Period 4 starts at	12.55pm
Period 5 starts at	1.55pm
2.55pm lessons finish	

First thing in the morning, towards the end of break and towards the end of lunch a buzzer will continue to sound as it does now to indicate to students the latest time at which they should start moving to their lessons.

- Lunch currently starts at 1.10 with many students not eating until later. This is a late lunch for teenagers and students have asked that lunch is earlier.
- Finishing the day 5 minutes earlier would give many students the chance to catch the earlier tram, rather than wait up to 15 minutes for the next one. This reduction in waiting time would alleviate some of the pressure on transport and also cut down on waiting times for some students which can be a particular issue in the winter.
